

# The **FrauenKulturen Initiative** cordially invites all women

**15. January 2019 from 16.00 to 18.00 hrs  
at the Speicher in Husum, Hafenstraße 17**

**Come along, share our wanderlust...!**

How do women like you and me live their lives in various countries of the world? How do women like us live here in Husum and Nordfriesland?

**This time we will have a look at our calendars: Which feasts, high days and holidays do we celebrate in our various cultures? Which customs and rituals are attached to these celebrations? What is important for us personally and what has changed over time?**

**Tea and coffee will be ready for you. Contributions to our cake buffet are always appreciated. Children are welcome.**

**FrauenKulturen** is a meeting place for interested women who enjoy the encounter with other women.

**FrauenKulturen** is a joint initiative of women from different countries with different mother tongues. The common language at our meetings is German, but due to the diversity of women attending there will usually be someone present who is able to translate.

**FrauenKulturen 2019: April 23rd / September 3rd / November 19th**

**- An event for women – free admission! –**
